Buoyed for spring

By Elizabeth Brogan

The Cape Elizabeth Land Trust is easing its dog leash rules for Robinson Woods.

Effective May 1, dogs will be allowed off leash on the Robinson Woods II trail from sunrise to 10 a.m. and on the Robinson Woods I outer loop trail from 4 p.m. to sunset.

Leashes will still be required at all times in the Shore Road parking lot, on the Robinson Woods wildflower trail, on the Belfield Road dirt road area, and on the Canter Way easement between the Methodist Church and Robinson Woods II.

Off-leash dogs must be kept within sight of their owner at all times and are not allowed in ponds or vernal pools year-round.

The new rules came about in response to citizen feedback after last year’s rule requiring all dogs to be leashed in Robinson Woods after 9 a.m. The earlier rule, effective Dec. 1, had been imposed after multiple complaints of biting, chasing and intimidating dogs off leash in the woods and concern about accumulating dog waste on the property.

An earlier proposal under consideration in early March would have allowed off-leash dog walking only on the Robinson Woods I outer loop trail.

CELT President Anne Carney told The Cape Courier on March 31 that the decision to alternate off-leash hours between the two Robinson Woods parcels came after multiple discussions with “off-leash advocates” and other residents who did not want to lose easy walking access to either one parcel or the other for off-leash walking.

Carney said that the land trust also tapped into Executive Director Chris Franklin’s experience in other communities where splitting off-leash hours between different areas of protected land had “proven to work fairly well.”

Carney said that the decision came after

The Planning Board is recommending ordinance changes that will, among other things, encourage multiplex housing in response to Cape Elizabeth’s aging population.

The board at its March 23 meeting voted unanimously to recommend the Town Council adopt proposed changes to the zoning and subdivision ordinances which will give developers incentives to build multiunit dwellings, while at the same time preserving open space.

The council will likely accept the recommendation in April before holding a public hearing.

“These recommendations do look very hard at the change in town demographics where we are having a growing senior population, and that seniors who are looking to transition out of single-family homes don’t have a lot of options in Cape Elizabeth,” said Town Planner Maureen O’Meara.

The changes the board is recommending are the last step in implementing the town’s comprehensive plan adopted in 2007. They also give a nod to recommendations of the Future Open Space Preservation Committee, a citizen committee formed in 2011, to analyze the cost and benefit of preserving open space.

To encourage multiunit development, the board is recommending that the minimum size for such developments be reduced, and that more units be allowed in developments featuring one- or two-bedroom units. Density bonuses of up to 30 percent would be allowed for developments that offer more affordable housing, more open-space preservation, or more extensive sewer-line hook-ups than required.

Council to consider communications, neighborhood visits

The Town Council will consider recommendations from the Appointments Committee which aims to encourage and improve communications between councilors and residents.

Committee chair Molly MacAuslan presented the recommendations at the March 9 council meeting. One recommendation was for “setting up neighborhood meetings for council members to attend, probably in pairs.” This would be an opportunity, MacAuslan said, for councilors to “go out into the community and be free to give updates on council activities and receive input directly from citizens.”

Proposed ordinance changes affecting multiplexes ‘don’t pass muster’

I imagine many in town would be surprised to learn that the Planning Board recently recommended changes to the zoning ordinance that would open additional sections of neighborhoods such as Oakhurst, the shed when implementation of the new one-system was delayed. We know how important the shed is to local kids and how impossible Bob’s situation could have been if not for the huge effort on the part of the Lions Club.

Peter Frye, Cape Elizabeth Recyling Committee Chair

I am deeply concerned. In the Stonybrook neighborhood rest two undeveloped parcels of woodland. Under current regulations, a single-family home can be built on each one. If proposed zoning ordinance and land-use recommendations are adopted, a five-story, fifty-unit apartment building is to be slotted up there.

Similarly forested parcels exist across Cape Elizabeth. I’m being told monstrous multiplexes will “blend in.” Where? Brentwood? Where’s the “neighborhood bonus” of one (1) unit per forty-thousand square feet of preserved open space above forty-five percent (45%) may be applied to the development.”

At minus-zero growth, it’s an absurdly radical change to our small town’s harmonious scale and character. Yet if the Ordinance Committee approves the changes and four councilors agree, up go the multi-

In Cape Elizabeth’s 2005 Critical Insights survey, 61 percent of residents clearly stated: “hoped for the very effort dedicated on lots as small as 130,680 square feet. Exemplary lots of this size can be found in Stonybrook, on Cottage Farms Road, and Stonybrook, Mountain View Park, Mitchell Road and portions of Scott Dyer Road, to large multiplex development.

If I correctly understand the changes, multiunit developments containing 14 one-bedroom units or more will now be permitted on lots as small as 130,680 square feet. Exemplary lots of this size can be found in Stonybrook, Village of Crossroads, and Stonybrook, Mountain View Park, Mitchell Road and portions of Scott Dyer Road, to large multiplex development. If the developer meets certain criteria, the number of units can be increased to 18 units or more. In addition, the Planning Board has proposed waiving existing height restrictions in certain instances, allowing construction of 50-foot high build-

Although we often comfort and reassure ourselves that our reasonable and considerate neighbors would never develop land in a manner incompatible with our community, the future is unknowable. This is one purpose of a zoning ordinance: to set reasonable restrictions on current and future landowners to ensure one person’s land usage does not excessively impact the surrounding community.

I am in favor of well thought out development in town. Unfortunately, these proposed changes, which would apparently permit excessively large multiplex buildings with waivable setbacks in areas incompatible with such developments, don’t pass muster. If you agree, let the Town Council know.

Proposal: Share Cape assessor with Scarborough

Town Manager Michael McGovern is proposing to the Town Council [at a meeting scheduled for April 6, after this newspaper goes to print] a collaboration with Scarborough in which Cape Elizabeth assessor, Matthew Sturgis, would concurrently serve as chief assessor for each town.

If approved by both towns, Sturgis, who has been Cape Elizabeth's assessor since February 2001, would devote 60 percent of his time to Cape Elizabeth and 40 percent to Scarborough.

Sturgis would remain an employee of Cape Elizabeth, which would raise his pay to third highest for any local assessor in Maine. Scarborough would contract with Cape Elizabeth for his services, for $4,411.58 per month.

Cape stands to save a reported $34,000 a year from the collaboration, which was suggested by Scarborough Town Manager Tom Hall to McGovern on March 17. Sturgis is agreeable to the challenge of serving both towns, according to McGovern.

Cape Elizabeth has 4,502 real estate and personal property accounts while Scarborough has 11,536 such accounts, for a combined state valuation of $5.4 billion.

Possible agenda items for neighborhood visits.

Walsh described the idea as an “outreach effort” and “an answer to comments made by citizens” last year. “It’s an interesting approach and one we’re all going to have to get comfortable with,” said Walsh. “It could really provide the kind of give and take that we’re looking to get from the community.”

MacAuslan said that it “could be part of an ongoing process every year” – or not. The recommendation is for “giving it a try.”

Another recommendation of the committee, which met with less enthusiasm by the full council, was to put a new “hold and obvious” email icon on the home page of the town website, so that residents could more easily reach council members, without navigating through two or more pages on the website.

Council Chair Kathy Ray said she was “comfortable with where we are right now.” Councilor Jessica Sullivan was concerned about email scams. “What we have is more than adequate and may protect us from getting more scam stuff.”

“You’re going to get a lot of emails that have nothing to do with the Town Council,” said Town Manager Michael McGovern. “There’s a pothole that needs to be filled” or “have a coverage backup,” Walsh said.

Other recommendations of the committee included continuing to advertise and announcing openings on boards and commissions and asking resigning board and commission members to recommend potential replacements.

The council also discussed best practices for note-taking at meetings and “new member orientations” for boards and commissions.

The council formally accepted the report of the Appointments Committee and voted to discuss the recommendations further at a workshop (not yet scheduled at the time this newspaper went to print).
April 4 was the full moon. Often called the Full Pink Moon because it marked the appearance of wild ground phlox, which is one of the first spring flowers. This moon has also been known as the Sprouting Grass Moon, the Growing Moon, and the Egg Moon. Many coastal tribes called it the Full Fish Moon because this was the time that the shad swam upstream to spawn. Did you catch the total lunar eclipse Saturday morning? The moon tends to look blood red when shadowed by Earth.

April 22: Peak of the Lyrid meteor shower. Best viewing after midnight, approximately 20 meteors an hour.

Signs of spring to look for:
- Wildlife is waking! Possums are active. Did you know possums have only been moving into southern Maine in the last 10 to 15 years? It’s likely due to milder winters, but this was a tough one for nonnative possums. Skunks and chipmunks are also out and about.
- Get your feeders ready! Hummingbirds are as far north as New Jersey by now.
- Once nights get above 41 degrees, we’ll start hearing spring peepers.
- Maine has an ongoing phenology (the study of seasonal change and timing) project called “Signs of the Seasons.” Citizen scientists (like you!) can help track indicator species that are important for understanding New England’s changing climate. Spring really is here when the forsythia bloom, lilacs leaf out, wood frogs croak and dandelions are blooming!

April is here ... Have you seen spring yet?
The Rotary Club of South Portland/Cape Elizabeth has donated $800 to youth literacy programs at the Thomas Memorial Library and the South Portland Public Library. The money will be used to enhance literacy programs through the purchase of books and materials to promote reading and an interest in education among young people. Some of the materials will also assist those for whom English is a second language.

The additional books, chosen by the professional librarians at each library, will provide materials they otherwise would not be able to purchase through normal funding. The Rotary Club also uses this program to recognize its weekly speakers by having each speaker sign a bookplate to be placed in a selected book, to symbolize a donation of that book by the speaker.

“We have been making this donation for nine years with a view toward increasing the interest in reading and education among our local students,” said Rotary Club president Kathy Cotter, in a March 27 press release. “It is representative of our Rotary club’s service to our communities’ youth and commitment to literacy initiatives.”

The library is open during construction

The Thomas Memorial Library has been open for business since mid-January. The former children’s library is now home to the library’s new and most popular books and movies as well as an average of 20 children’s programs each week and monthly book and discussion groups.

The library is open from 9 a.m. to 5 p.m. on Mondays, Wednesdays, Fridays and Saturdays and from 9 a.m. to 8:30 p.m. on Tuesdays and Thursdays.

For details about upcoming special events and programs at the library see stories on page 6 and visit the library website.

**Puppeteer will perform at library April 24**

The library will offer a special family event for all ages featuring “Lindsay and Her Puppet Pals” at 11 a.m. on Friday, April 24. “Puppeteer Lindsay Bezich will bring her lovingly crafted, giant hand puppets and marionettes for a show filled with silliness, crowd participation, and unique, memorable characters,” says Children’s Librarian Rachel Davis. “Lindsay and Her Puppet Pals performed at the library several years ago to rave reviews.” This year, due to space limitations in the library’s temporary space, the program will take place in the activity room.

The program is free and no advanced registration is required.

**Special programs offered during vacation week**

Regular story times will be suspended during the week of April 6 to 11 to make way for some special programs for children and families. Rick Lepage and Kiah Gardner will offer four different craft programs during the week, two for ages 4 to 7, and two for ages 8 to 12. Each of the four programs requires advance registration, which can be done in person, on the phone, or online on the library’s website, where you will also find the complete program details and schedule.

*Read to a Dog Celebration with special guest, author Loni Burchett, will be held from 3 to 4 p.m. on Wednesday, April 8. Come meet Winston and Maddie, the library’s two therapy dogs and get to know Loni Burchett, author of the chapter-book series featuring dogs Bear and Katie. There will be a chance to chat with Burchett, pet the dogs, and take home some dog-themed giveaways.*

*A special preschool story time featuring author A.J. Smith will be held from 10 to 11 a.m. on Thursday, April 9, at the Community Center. All local preschools and preschoolers are invited to attend. (There will be no children’s programs at the library that day.)*

*A special preschool story time with author/illustrator Tracey Campbell Pearson will be held from 10:30 to 11:30 a.m. on Friday, April 10. Preschoolers and their grown-ups are invited to read and draw with Pearson in this fun, interactive story time. Pearson is the award-winning author and illustrator of numerous children’s books, including “Bob,” “Elephant’s Story,” and “Tuck In Time.” She is visiting us from Vermont.*

“A special story time featuring author/illustrator Sarah Dillard for grades 2 and up (limited to 12 registered participants) will be held from 3:15 to 5 p.m. on Friday, April 10. Kids will work with Dillard to create a character and develop a story in four panel illustrations. Children will then have a chance to create their own graphic stories. Registration for this after-school program is required, and can be done at the library, on the phone, or on the library’s website. Dillard is the author and illustrator of numerous picture books, as well as graphic novels for younger readers featuring heroic chicken “Extraordinary Warren.” She is visiting us from Vermont.*

*The library’s regular story time schedule, with exceptions noted is as follows:*

- **Baby Time, for birth to 18 months** Wednesday at 11 a.m. with Rachel
- **Toddler Time, for 18 months to 3 years** Mondays at 10:30 a.m. with Kiah
- **Preschool Story Time, for ages 3 to 5** Mondays at 9:30 a.m. with Kiah

**Literacy festival events continue at library**

By Rachel Davis, TML Assistant Director

As it has since the festival’s inception, the Thomas Memorial Library is participating in this year’s communitywide literacy festival with some special early literacy programs and author visits. Below is the list of special events for children and families, which will take place in the children’s library:

- During the week of April 6 to 11 the library will celebrate AuthorFest. Story times this week will feature books by authors who will be participating in AuthorFest, on Saturday, April 11, at Cape Elizabeth High School (see story on page 11).

The following special events will also be offered:

* *Read to a Dog Celebration with special guest, author Loni Burchett, will be held from 3 to 4 p.m. on Wednesday, April 8. Stepping into the Sesquicentennial

A Cape Courier series by Cape Elizabeth resident Ellen Van Fleet follows the Civil War through the eyes of people who lived in Cape Elizabeth 150 years ago, when the Civil War was in its third year. Using Portland author Paul Ledman’s book, “A Maine Town Responds,” as the main guide, the series includes both short entries from the Portland Transcript, a newspaper, and letters from a local soldier who served on the western front. Items from the Portland Transcript and from soldiers’ letters are reported verbatim.

The news of the surrender of Lee has produced an expression of jubilant feelings as that occasioned by the surrender of Lee’s army. When the news came on Sunday night the people left their beds, and the city was soon all afame with patriotic rejoicings. Bells were rung, and bonfires kindled in the streets, private property being unceremoniously appropriated to this purpose; a procession with brass bands and patriotic songs were sung, while a grand salute was rendered to you and the brave and gallant officers and soldiers of your army for all time. Nineteenth-century stonecutter to be topic of May 2 Genealogical Society presentation

Nineteenth-century Portland stone cutter Bartlett Adams, whose shop produced hundreds of slate and marble gravestones for graveyards in Cumberland County and beyond, will be the topic of a one-hour presentation on Saturday, May 2, at the Church of Jesus Christ of Latter Day Saints, 29 Ocean House Road.

Ray Romano will lead the talk at the meeting of the Greater Portland chapter of the Maine Genealogical Society, which will begin at 1 p.m., following a half-hour refreshment time. Romano leads tours of the Eastern Cemetery, the oldest historic landscape in Portland and is a member of the board of Spirits Alive, a nonprofit organization dedicated to the cemetery. In 2013 and 2014, he conducted a survey of Adams’ work, visiting more than 175 early cemeteries to document Adams’ impact on the region.

The event will be free, and new members are welcome to join the society. Go to www.gpcms.org for more information.

Cape Elizabeth Historical Preservation Society welcomes residents to new home on March 14

By Wendy Keefer

Cape Elizabeth history lovers got their first chance to check out the Cape Elizabeth Historical Preservation Society’s newest home in the Cape Elizabeth Public Safety Building on March 14 at an open house.

Founded in 1978, the organization’s first quarters were one room in the Town Hall. In 1986, the society moved to the basement floor of Thomas Memorial Library, where the offices were located until this move. Because plans for the library renovation do not include rooms for the society, [Town Manager] “Mike McGovern brought us to look at the Public Safety Building. CEHPS President Dorothy Higgins said the society occupies three rooms in an area of the public safety building that formerly housed the Cape Elizabeth Police Department’s dispatch unit.

In the largest room, where the office and archival record are located, old photographs, clothing and the Cape Cottage Post Office sign are displayed. Artwork, tapes and maps are stored in the smaller “Media Room.” Town records and newspapers are kept in a third room, which also houses the Jordan collection.

Visitors who turned out at the Cape Elizabeth Historical Preservation Society’s March 14 open house, are, from, seated, Norm Jordan; standing behind him, Dorothy Higgins; and from far left, Bob and Eloyd Hooper, Evie Strom, unidentified man, Joe Higgins and June Beckwith.

Dear Judith,

I received orders yesterday from Admiral Lee, to report to the U. S. S. Curlew for duty, as soon as possible. I shall do so to-morrow as she will be at this place. Though I hate to leave the Old Carondelet, after so long service, on board of her, yet I feel glad to think I am transferred to a boat, whose Commander I am well acquainted with, and have always been somewhat partial to. His name is Hikkey. The Curlew is engaged for a long job. If I do not like it I will make an effort to get out. Your affectionate husband,

Scott D. Jordan

Cape Lions breakfasts on April 12, May 10

The Cape Elizabeth Lions Club plans pancake breakfasts on Sundays, April 12 and May 10, at the clubhouse, the old Bowery Beach Schoolhouse, located at the intersection of Two Lights and Wheeler roads.

The breakfasts run from 7:30 to 11 a.m., and breakfast fare includes pancakes, French toast, eggs, sausage, coffee, tea and juice. Adults pay $7, and children 12 and younger pay $5.

Proceeds from the meals benefit maintenance of the clubhouse and Cape Elizabeth Lions Club charities.

The Cape Lions always welcome new members. Call Paul Gentilini at 470-7353 for information about membership.

Performances of award-winning one act, ‘The Dishwasher,’ at CEHS

Cape Elizabeth High School students, from left, Robert MacKay, Eva Miele, Anya Ko- han, Hannah Walsh, Andrew Harrington and Cole Amorello perform in their state-championship-winning one-act play, “The Dishwasher.”

By Wendy Koeleer

Cape Elizabeth audiences soon will get the chance to see for themselves why the cast and crew of Cape Elizabeth High School’s one-act play, “The Dishwasher,” came home from the Maine Drama Festival at Bangor High School last month with the Class A state championship trophy. Performances of the one-act play are planned at 7 p.m. on Wednesday, April 15, and Thursday, April 16, in the CEHS auditorium.

“It was a day filled with awe and trepidation,” said student Dominic Morin, a member of the tech team.

“We are incredibly lucky to have such an amazing opportunity,” production assistant Emma Stevens added.

April is Oral Cancer Awareness Month

Did you know that one person dies each hour from Oral Cancer in this country alone?

According to the American Cancer Society, you should:

• Limit smoking and drinking and eat a healthy diet.
• Limit exposure to ultraviolet light and avoid HPV infection.
• Wear properly fitting dentures.
• Get routine exams with your dentist.
• Treat pre-cancerous growths as soon as possible.

‘April Scoop’ set for April 18 at Fort Williams

The sixth annual April Scoop, when volunteers pick up trash and dog waste at Fort Williams, is planned from 8 a.m. to 11 a.m. on Saturday, April 18, with a rain date scheduled the next day at the same time. Trash bags will be provided. Dogs will be welcome. Volunteers can show up at any time during the morning. Headquarters will be on the path next to the maintenance building near the back of the fort.

In past years, as many as 45 volunteers have shown up for the morning and gathered 20 bags of garbage, most of which was human trash, organizer Karen Brenner said. Contact Brenner at 233-2582 for more information.

Free literacy events planned through April 11

The third annual Cape Celebrates Literacy, which will run through Saturday, April 11, includes free events for all young people.

The Local Buzz will host a 7 p.m. poetry slam event on Wednesday, April 8, for middle-school-aged students, featuring slam poet, T. Love.

A preschool story time featuring children’s book author and illustrator A.J. Smith is set for 10 a.m. on Thursday, April 9, at the Cape Elizabeth Community Center. All preschools and preschoolers are invited.

A panel discussion featuring CEHS student Grace Roberts, author Lane Case and published student writers is set for 7 p.m. Thursday, April 9, at the Cape Elizabeth Middle School Learning Commons.

Cape AuthorFest 2015, which will feature more than 60 authors and illustrators, is scheduled from 10 a.m. to 2 p.m. on Saturday, April 11, in the CEHS auditorium. At the event, for readers of all ages, books will be available for purchase and signing through Bull Moose, the sponsoring bookstore, and author and illustrator talks and demos will be showcased. Go to authorfest.cape.k12.me.us for more information.

Musical ‘Oz’ to open April 12 at middle school

The musical “Oz!” will open Thursday, April 9, and run through Sunday, April 12, at Cape Elizabeth Middle School.

This adaptation of the “Wizard of Oz” story features songs, colorful costumes and scenery, and the energy of about 60 middle school performers and backstage crew. CEMS science and math teacher Stephen Price directs.

Suited for audiences of all ages, the show includes all of the cast of characters in L. Frank Baum’s “Wizard of Oz” books: Dorothy, Toto, Scarecrow, Cowardly Lion, Tin Woodsman, Oz, Glinda the Good Witch, the Wicked Witch of the East and the Wicked Witch of the West.

Performances are planned at 7 p.m. Thursday, Friday, and Saturday, and at 2 p.m. Saturday and Sunday. Tickets, $10 for adults and $5 for students, will be available at the door. Email Steve Price at sprice@capeelizabethschools.org for information.

‘A Funny Thing Happened on Way to the Forum’

The musical, “A Funny Thing Happened on the Way to the Forum,” will run from Friday, April 17, to Saturday, May 2, at Lyric Music Theater in South Portland.

The comedy, set in Rome, tells the story of a slave named Pseudolus and his attempts to win freedom by helping his young master woo the girl next door. The play features desperate lovers, scheming neighbors and secrets behind every toga.

Performances will be at 8 p.m. Thursday through Saturday, and at 2:30 p.m. on Sundays. Tickets are $21.99, and $17.99 for senior citizens 65 and older.

The theater is located at 176 Sawyer Street. Call 799-1421, email ticketslyric@gmail.com, or go to lyricmusictheater.org for tickets or information.

Cast members in the Lyric Music Theater’s upcoming production, “A Funny Thing Happened on the Way to the Forum,” include, from left, front, Zack Handlen, John Ambrose; back Bethany Perkins, Joel Crowley, David Heath and Jennifer Cannizzo

Lobster rolls a sure sign of spring in Cape Elizabeth

“A little bit of summer while winter rages outside,” is how Cape photographer Katherine Urbanek described a lobster roll enjoyed with her family on March 28, opening day at the Lobster Shack. Clockwise from left: Erik Urbanek and the Urbanek children climb the stairs—bundled up against the blowing snow; the desired lobster roll; the Urbanek children, from left to right, Liv, Jack, Sam and Charlotte, sit inside on a lobster trap while waiting for their food; picnic tables await warm-weather customers, while snow gathers around their feet.

What says “It’s spring!” to you in Cape Elizabeth? Send your thoughts and pictures to editor@capecourier.com. We’d love to hear from you.

Brooke Cottrell, a Cape Elizabeth High School freshman, earned the best overall solo performance title in the teen category recently at the regional “Turn It Up Dance Competition” at Scarborough High School. Professional dancers judged the weekend competition, in which 300 dancers of different ages and levels performed. Brooke has been invited to perform at the national level of the competition and to be part of the “Turn It Up” national dance team. She also received a cash scholarship and an offer to appear in the “Turn It Up Dance Challenge” apparel line photo shoot.

Brooke has been dancing daily since she was three years old. She is affiliated with the Studio for the Living Arts in Gray and has trained with the Joffrey Ballet in New York City.

Cape Elizabeth resident Dolores Ellis chairs the Westbrook-based Thomas B. ‘The Boys Next Door’ to run through April 12

“The Boys Next Door” will run through Sunday, April 12, at the Portland Players, 420 Cottage Road in South Portland. The comedy focuses on the lives of four men with intellectual disabilities who live together in a communal residence under the watchful eye of a sincere but increasingly despairing social worker.

Shows are at 7:30 p.m. Friday and Saturday, and 2:30 p.m. Sunday. Tickets are $20 for adults, $18 for senior citizens and $15 for children and students. Call 207-799-7337 or go to portlandplayers.org to buy tickets.

Jenna Scott, the daughter of 1987 Cape Elizabeth High School graduate Jason Scott and his wife Michelle, of Saco, and the granddaughter of Jean Scott, will attend Bowdoin College in Brunswick. Jenna is a senior at Thornton Academy in Saco. Her grandparents Milton Scott and Mary Ellen O’Toole live in Scarborough.

April 12 multimedia presentation about lives of turn-of-the-century lumberjacks, river drivers

Turn-of-the-century lumberjacks and river drivers will be the focus of a Sunday, April 12, presentation that will combine the screening of a documentary with live music. The event will begin at 2 p.m. in the Cape Elizabeth High School auditorium.

Wiscasset filmmaker and composer Sumner McKane will present “In the Blood,” a production illustrating the life, history and character of lumbermen and river drivers.

The presentation will include archived films, photographs and oral histories told by the men, with live music by McKane and musician Joshua Robbins. A Damariscotta native, McKane creates and produces films and multimedia presentations. He studied photography in Missoula, Mont., at the Rocky Mountain School of Photography and at the University of Montana, where he also studied history. McKane graduated with high honors in history from the University of Southern Maine in Gorham.

Advance tickets — $10 for adults, and $8 for senior citizens and students — are available through 4 p.m. on Friday, April 10, at the Cape Elizabeth Community Services office at the Cape Elizabeth Community Center, 343 Ocean House Road. If space permits, tickets also will be for sale for $12 at the door.

Head Light history lesson

Pond Cove School fourth-grader Lucy Rayback sketches Portland Head Light and makes notes about its history in a research journal last month. Pond Cove third- and fourth-graders have been taking bus tours around town to learn about historical landmarks in commemoration of the 250th anniversary of Cape Elizabeth’s incorporation.

**CEEF plans June 11 golf tournament, auction; seeks nominations for annual alumni award**

The nonprofit Cape Elizabeth Education Foundation will hold its annual “Play for Education” Golf Tournament and Auction fundraiser on Thursday, June 11, at the Prouts Neck Country Club in Scarborough. The tournament will begin at 10 a.m., and the auction will immediately follow.

Each foursome pays $500 to register. Contact Chris Whitney at christopher.whitney@transamerica.com to register, or for information about tournament sponsorship.

**Alumni award**

The organization is currently seeking nominations for the third annual alumni award, which the nonprofit presents in June during Cape Elizabeth High School’s graduation festivities.

Recipients are CEHS alumni who have made significant contributions to their communities, professions or society and whose example motivates CEHS graduates to seek excellence in school-related pursuits and in their careers, families and communities. Past winners include Olympic runner Joan Benoit Samuelson, who graduated from CEHS in 1975, and restaurateur Luke Holden, a 2003 alumnus.

Nomination forms are available on CEEF’s website, ceef.us. Contact Patrick Keniston at pkeniston@foreside.com. The deadline for nominations is May 1.

**Gail Rice Scholar**

CEEF is now accepting applications from CEHS freshmen, sophomores and juniors to serve as the Gale Rice Scholar for the 2015-2016 school year. The student liaison to CEEF will attend monthly board meetings, provide student perspectives on school events and needs, attend grant committee presentations, and solicit student volunteers to work on events, publicity and fundraising. The student will not participate in the voting process.

Application can be downloaded from the CEEF website. Contact Liam McCoy at lmccoy@legacyarts.com or 712-6860 for more information.

**Newly designed website**

The organization has a redesigned website created by Cape Elizabeth residents and marketing professionals Megan McNagha of 360 Uncoated and Anne Gale of Anne Gale Digital. Sara Lennon, a branding expert and CEEF’s communications chair, managed the project.

**Correction:** In a story that ran in the March 25 issue of The Cape Courier about Cape Elizabeth High School students who earned honors in the Maine regional Scholastic Writing Awards competition, CEHS junior Jana Freedman’s name was omitted in a list of students who received the competition’s second highest honor, the Silver Key. The Courier regrets the error.

522 Congress Street | Portland, Maine 04101 | 207699.5061 | meca.edu/cs
AP government class meets King in D.C.

Sen. Angus King, I-Maine, recently hosted 40 Cape Elizabeth High School students in Ted Jordan’s Advanced Placement government classes in Washington, D.C. In addition to telling students, “Congress does not work well,” and, “the political center is gone,” King said members of Congress go home on the weekends to see constituents, and that their families no longer live in D.C., Jordan said. King is now working to meet every U.S. senator “to learn the names of their spouses and children in order to become friends. Friends are much less likely to make a personal attacks on members of the other party public,” Jordan said, adding, “He also confirmed that calling your senator or congresswoman does make a difference; they do keep track of constituents’ communications and this can effect change.”

Cape Elizabeth High School students, from left, Luis Hur, Jared DuPerrre and Stephen Ben- nett, recently attended the New England PeaceJam Conference at the University of Con- necticut in Storrs. The weekend conference was led by, second from the right, 2003 Nobel Peace Laureate, Shirin Ebad, a human rights activist and former Iranian judge who lives in exile in the United Kingdom. An international organization, PeaceJam promotes change in society through teaching youth leadership skills. Members of the CEHS PeaceJam group recently completed the organization’s online bullying prevention program. CEHS junior Ben- nett founded the Cape group in September and is the club president.

Remodeling your old home can create a lead hazard.

Homes containing interior paint installed before 1978 may contain lead. This lead can be released as dust when holes are cut.

As a certified lead renovator, we use a HEPA vacuum to contain the lead to standards set by the EPA. Call us for your rewiring needs.

Two volleyball players named to ‘Watch List’

Cape Elizabeth volleyball players Maggie Dadmun and Katie Connelly recently were named to the Junior Volleyball Association’s “2015 Watch List.” Selected for outstanding achievement in volleyball, Dadmun, a Cape Elizabeth High School freshman and Connelly, a CEHS junior, will be eligible for the JVA All-National Team in June.

Both play for Maine Juniors Volleyball travel teams and were members of Cape Elizabeth’s Class A state-championship-winning volleyball team this fall.

Cape Elizabeth soccer club registration open

Registration for the Cape Elizabeth Soccer Club’s fall 2015 season will run through Monday, May 4.

Players who will be seven years old by August 1, 2015, are eligible for the program, which serves youth through the age of 13 and runs from the middle of August through the end of October. Soccer Maine, the governing body of youth soccer in Maine, provides Under-9 through Under-14 divisions.

The Cape Elizabeth United Methodist Church will host a public supper on Saturday, April 11, from 4:30 to 6 p.m.

The supper will feature casseroles, beans, salads, breads and pie for dessert.

Prices will be $8 for adults, $5 for children and $20 for families, or two adults and children. Takeout will be available.

Go to ceumc.org for more information about the church.
a lengthy meeting and vote of the CELT board on March 20. “We have a lot of work to do between now and then, Carney said, looking ahead to the May 1 effective date of the rules. “We are launching into working on the signs [now].”

There will be signs explaining the new rules at the Shore Road parking lot and at trail entrances. The wildflower trail, which runs along a sensitive vernal pool, will have signs posted at both ends of the trail.

CELT will continue to provide dog waste bags and a trash can at the Shore Road kiosk.

New rules for bikers as well

There are also new rules for bikers. Bikers must yield to pedestrians along the trail. No high speed riding is allowed and trails may periodically be closed as needed to maintain trail integrity.

Balancing uses, concerns

Carney said that the land trust sought to balance different uses of the property, while considering multiple factors, including safe access to the property and stewardship of the property’s sensitive ecology. Carney said that leaders of CELT educational programs “have observed a decrease in wildlife” since educational walks began in 2003. She said that educational walks have caused a decrease in wildlife sightings and that the wildflower trail is now “planted” in the pools prior to class visits.

OPEN SPACE PRESERVATION

The EFFECT OF MORTGAGE INTEREST RATES ON PAYMENTS & BUYING POWER

There has been a lot of talk about the potential rise in mortgage interest rates sometime this spring. Unfortunately, this change will effect both buyers and sellers.

A rise in mortgage interest rates obviously effects the monthly payment due on the loan. For example, on a $200,000 loan, the monthly payments, at a given interest rate would be as follows:

- 3.5%: payment = $989/month
- 4.0%: payment = $954/month
- 4.5%: payment = $1013/month

This same increase in rates, however, lowers the purchase price of a home a buyer could afford. For example, a borrower who earns $50k/year would qualify to purchase a home for:

- $250,000, if rate is 3.5%
- $235,000, if rate is 4.0%
- $222,000, if rate is 4.5%

Inventory is very low!

There are many buyers looking to purchase, but few homes for them to choose from. If you have been thinking of selling, now may be just the right time!

What O’Meara called the “public benefits” of preserving open space, agricultural land and environmentally sensitive areas. The proposals promote sewer connection for new developments, include an updated sewer service area map, and also include a map delineating agricultural land eligible for preservation through transfers of development rights.

Complete recommendations are available on the town’s website, capeelizabeth.com.

Pulpit Rock Road access incomplete

In other matters, the board found an application to upgrade a portion of Pulpit Rock Road, located off Old Ocean House Road, from a private accessway to a private road incomplete. The upgrade is required for the road to serve a second house envisioned for the lot next to 413 Pulpit Rock Road.

Board members said they believed numerous easements affecting the property were unclear. There was a scheduled site walk for Saturday, March 28. The board will likely hold a public hearing when the applicant, Nancy Brewer, brings a complete application back to them at the April 27 meeting.

Shannon Margaret Lyons and Sean Francis Hutchinson were married on Sept. 6 at St. Teresa’s Catholic Church in Brewer. The reception followed at Camp Roosevelt in Eddington.

The bride is the daughter of Stephen and Nancy Lyons. The groom is the son of Mark and Jane Hutchinson of South China, Maine.

Erin Marie Lyons was the maid of honor, and the bridesmaids were Nicole (Lyons) Monmancy, Patricia (Lyons) Cherry, Chelsey Tacini and Katlynn LaFlamme.

Jason Hutchinson was best man, and the groomsmen were Eric Jensen, Matthew Howard, Andrew Gwarjiangski and Michael Galli.

Shannon graduated from Cape Elizabeth High School, and Sean from Enkine Academy in South China. The couple met at and graduated from the University of Maine at Orono. Shannon has a Bachelor of Science degree in nursing, and Sean with a Master of Science degree in forestry biometrics and a Bachelor of Science degree in forestry and business administration.

Shannon is a registered nurse at St. Joseph Hospital in Bangor. Sean is the owner of Rock Maple Holdings LLC Bangor and an associate broker at ERA Dawson and Bradford in Bangor. The couple lives in Brewer.

Cape Elizabeth resident Edward Smith earned high honors for the fall semester at the University of New Hampshire in Durham. A 2011 Cape Elizabeth High School graduate, he is a senior at UNH.

Sarah Cummings was named to the dean’s list for the fall semester at Colgate University in Hamilton, N.Y. A 2011 Cape Elizabeth High School graduate, she is majoring in psychology.

Two Cape Elizabeth students were named to the fall-semester dean’s list at Washington University in St. Louis, Mo. Max David Aronson, a 2012 Cape Elizabeth High School graduate, is a student in the College of Arts and Sciences. Kelsey Elizabeth Barton, a 2011 CEHS graduate, is enrolled in the School of Engineering and Applied Science.

Cape Elizabeth resident Tim Hebda, who teaches fourth and fifth grade at Waynflete School in Portland, was selected earlier this year as a 2014-2015 “Teacher of the Future” by the National Association of Independent Schools.

He is among a group of “34 outstanding independent school professionals” in the country chosen for the honor, the NAIS website states. Educators are selected for innovative classroom practices, including the integration of technology. Throughout this school year, the group has been discussing leading trends and issues in learning and teaching kindergarten through grade 12.

A Waynflete colleague nominated Hebda, who has been teaching for the past seven years at Waynflete and taught in public schools during the previous 10.

Hebda has been recognized for his work with the Portland-based Gulf of Maine Research Institute’s Vital Signs program, which partners Maine students with scientists and citizen scientists to investigate marine issues and contribute valuable data to environmental research.

A teaching consultant for the Southern Maine Writing Project, he is also an adjunct professor at the University of New England in Biddeford, teaching classes about technology in education.

After receiving an undergraduate degree at Connecticut College in New London, Conn., Hebda earned a master’s degree in educational leadership from the University of Southern Maine.
